

Mission Support

The Doctoral School PSIME supports laboratories wishing to provide financial assistance to PhD Students for their training and career-related missions.

Any request related to a trip in France or abroad will be examined by the governance of the ED PSIME. However, requests motivated by your professional project will be given priority. Please note when a grant is given, you commit yourself to carry out the mission and provide a statement of mission expenses signed by your laboratory.

Support provided:
Trip in Normandy: 50 Euros, Trip in France: 200 Euros
Trip in Europe: 400 Euros (outside International Supervision Countries)
Trip outside Europe: 800 Euros (outside International Supervision Countries).

Form to be returned at least 1 month before the start of the mission/training
